

LEDinspect MINI 125

LED inspection lights for privat use

125 lm + 90 lm

Main light with 125 lumen and torch light with 90 lumen

Equipped with 24+3 high-quality, long-lasting LEDs

More light output

Batteries included

Three AAA batteries are included in the scope of supply

The most compact inspection light

LEDinspect MINI 125 features an especially compact design. This LED inspection luminaire can be simply and flexibly mounted thanks to its small size and integrated hook and magnetic mount. The portable lamp thus emits light precisely where it's needed. The durable LEDs in this handy workshop lamp provide high a light intensity of up to 2,000 lux at a distance of 0.5 meter. An easy-grip, dirt-resistant surface also facilitates precise work. OSRAM provides a 2 year guarantee for this inspection luminaire.

Product family datasheet

Technical data

Product description	Product information		Electrical data		Photometrical data	
	Application (Category and Product specific)	Order reference	Nominal wattage	Nominal voltage	Color temperature	Luminous flux
