

LEDiving PREMIUM Festoon

Ideal replacement for any vehicle

Wide range of different light colors

Available in Warm White and Cool White for a variety of customization options

Excellent brightness

Thanks to advanced thermal management and superior light distribution

Matches 31 mm, 36 mm & 41 mm festoon types

Upgrade to LED with simple plug & play replacement

Suitable LED replacement for Festoon Types

These LEDiving PREMIUM products offer a suitable replacement for festoon lamps. The lamps are compatible with conventional festoon lamp bases and are easy to install through plug & play. Thanks to modern diffusor material the lamps provide a perfect light distribution. OSRAM offers a 6 year guarantee for these festoon retrofit lamps. These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.
