Product family datasheet

LEDinspect SLIMLINE 250

LED inspection lights for private use

250 lm + 30 lm

Main light with 250 lumen and torch light with 30 lumen

Equipped with 15+2 high-quality, long-lasting LEDs

High-power LEDs for long-lasting comfortable light output

Rechargeable 3.7 V 2,600 mAh Li-ion battery

Easy charge via USB port & DC/AC (with charging cable)

Illuminating hard to reach areas

LEDinspect SLIMLINE 250 provides an excellent illumination thanks to long-lasting high intensity LEDs. It is suitable for all types of inspection and maintenance of vehicles at home. The luminaire offers two light settings - main intense light with up 250 lumen and torch light with up to 30 lumen. Very practical: The ultra slim inspection luminaire comes with a rechargeable battery. OSRAM offers a 2 year guarantee for this product.
