

LEDDriving PREMIUM SL W21/5W

Ideal replacement for any vehicle

Wide range of different light colors

Available in Cool White, Amber and Red for a variety of customization options

Excellent brightness

Thanks to advanced thermal management and superior light distribution

Matches W215W lamps

Upgrade to LED with simple plug & play replacement

Suitable LED replacement for W21/5W

The LEDDriving PREMIUM W21/5W retrofit lamps offer a suitable replacement for conventional W21/5W lamp bases. With these lamps, you have an easy plug & play replacement, regardless of base polarity. Thanks to homogenous light distribution a non-selective illumination is possible. For these LEDDriving PREMIUM lamps, OSRAM offers a 5 year guarantee. These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.
