

# Cube PX Ultra-Wide Beam

## Ultra-Wide Beam Pattern

For a large-area and particularly wide light distribution

## 1500 to 4500 Lumens

Selection of 4 different power levels per beam pattern

## Matrix Portfolio

A vehicle-specific lighting set-up can be put together individually. Mix & match. Vary and combine

## IP & IK protection classes

Tested and validated in a DIN-certified environmental simulation laboratory regarding extreme external influences such as water, dust, shocks, impacts, heat, cold, permanent vibrations and many more

### Professional light for professional work

With the OSRAM LEDriving Professional Series PX working lights portfolio, it is now possible to find exactly the right lighting for a wide range of special professional tasks and applications. The 16 working lights in total score points with maximum optical efficiency, effectiveness, and homogeneous light distribution. The modular series focuses on the most important aspects of worklight use: Illumination, performance, quality, shape, durability, functionality, and thus can also result in increased safety at work for you and others. The optimal factors can be selected and prioritized for each corresponding application; thus, with these high-performance lights, a complete vehicle-specific lighting set-up can be put together, that this is perfectly applicable to the respective individual requirements and needs. The working lights are suitable for 12V and 24V vehicles and a total of four beam patterns - Flood, Spot, Wide and Ultra-Wide - and four power levels - 1500lm, 2500lm, 3500lm and 4500lm - are available for each light. In addition, they can be mounted in three different ways: Direct mounting, flexible standard mounting, and heavy-duty mounting. Additionally, OSRAM has developed specially designed mounting kits and a cable with DT-connector. Validated according to the highest IP & IK protection classes IP6K8 & IP6K9K and CISPR25 Class 5, the Professional Series is designed to meet the highest OE standards and requirements of the automotive industry. OSRAM provides a 5-year guarantee on these products<sup>1)2)1)</sup> Additional working lights without ECE approval for use as work lights are approved for use on any vehicle according to German Road Traffic Licensing Regulations (StVZO) §52 (7). However, they must not be used and switched on while driving. In addition, individual special regulations, and laws of countries outside Germany must be observed.<sup>2)</sup> For precise conditions refer to: [www.osram.com/am-guarantee](http://www.osram.com/am-guarantee)

Technical data

Product information

Application (Category and Product specific)	Working light application
---	---------------------------

General Product Information

Global order reference	LEDPWL 102
------------------------	------------

Electrical Data

Nominal voltage	12/24 V
Nominal wattage	33 W

Photometric Data

Nominal luminous flux	3500 lm
Color temperature	6000 K
Light distance at 1lx	65 m

Physical Attributes & Dimensions

Product weight	700.00 g
Length	117.1 mm
Width	67.4 mm
Height	113.4 mm

Additional product data

Connector to lamp	DT Connector
-------------------	--------------

Capabilities

Technology	LED
------------	-----

Certificates & standards

Type of protection	IP6K8/IP6K9K
Standards	ECE R10 / CISPR25 / CLASS 5 / FCC part 15b

Logistical data

Commodity code	85122000900
----------------	-------------

Environmental & Regulatory Information

Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH)
---

Product datasheet

Date of declaration	26-06-2024
Declaration no. in SCIP database	In work

Logistical Data

Product code	Product description	Packaging unit (Pieces/Unit)	Dimensions (length x width x height)	Volume	Gross weight
4062172279437	Cube PX 3500 ULTRA WIDE LEDPWL 102-UW		- x - x -	13.35 dm <sup>3</sup>	

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.
